A Simple Table, Centered and Border "1" - Text is also centered:

Primary	Elementary	RLS	SHHS

Centered Table with Links and Border "0" - Text is also centered::

Primary   Elementary   RLS   SHHS

Or a very simple bottom navigation bar would be to write a series of links in a row and center them.

Primary Elementary RLS SHHS

Finally, a table is a nice way to line up images:

Create a table with one row and 3 columns, border 0. Place the image in the 1st and 3rd cell and this text in the middle cell.
