

R.L.S is a great school. We do a lot of school wide things. The elective choices are awesome. For the most part the teachers are great. Sometimes the classes are really boring but I guess in the end it is worth learning. P.E. at our school is great, we run the mile every Wednesday we do core, activities and we run. Sometimes it is hard but we are really fit. Yay!

My Family

My family is always there for me and I will always be there for them. I love them so much. My family just got a new puppy and his name is Enzo, yes after Enzo Ferrari. Enzo is a Labradoodle who is seven months old. My dad has his own company. He is a winemaker and wine consultant. My dad travels all over the world for work, so he is gone a lot. My mom works at Pacific Union, because she is a real estate agent. She also takes care of

our family. Lately, my little sister, Eliana who is nine years old has been going to acting classes in San Francisco every weekend. (shopping for me and sometimes Morgan!) She also loves to sing, dance and play sports. My puppy Enzo gets groomed once a month. He isn't a big fan of it. Sometimes he goes to Sacramento where my mom's family lives to go to a training sleep away camp. He absolutely loves it.

Hobbies...

Tennis

I am currently playing tennis at Crane Park. I really like playing tennis. I used to play tennis with my friends Morgan but she is doing track.

Volleyball

I am also playing volleyball in Napa. I really enjoy that sport.

Shopping

I am a shopaholic. I love shopping, to me I feel that I would rather be doing nothing more when I am shopping with Peanut. (My Best friend who is like my sister)

I am not a big reader but the books that I have read that I really like are, Love Aubrey, Problem with Paradise, Indigo and out of my mind.
