

OUR WINES

Pritchard Hill's rugged terroir has become legendary for producing wines with great intensity and depth—qualities that define the world's finest Cabernet Sauvignons. As a result, Chappellet wines have consistently received the highest praise from critics, and are sought after by the world's premier collectors.

Today, a second generation of the family has joined their parents in embracing the romance of Pritchard Hill. They are passionate about preserving the land and continuing what Donn and Molly began—making extraordinary wines.

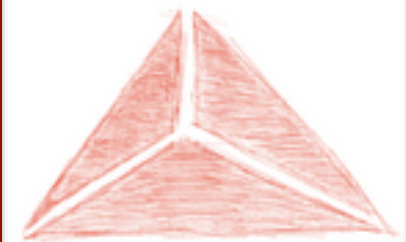

FAMILY HISTORY

When Molly and Donn Chappellet moved to Pritchard Hill in 1967, they had five children and one on the way. As their vineyards have matured, Molly and Donn's family has grown, and today includes nine wonderful grandchildren, who can often be found playing in the vineyards as their parents did before them.

Recognized as one of the great family-owned and run Napa Valley wineries, the history of Chappellet reflects the passion and commitment of this pioneering family. Through four decades and three generations, the Chappellets have made Pritchard Hill their home, while also establishing it as one of the world's most revered winegrowing sites. Today, the second generation of the family works alongside their parents to ensure that the winery and vineyards continue to thrive for generations to come.

Chappellet Gears Up as Honorary Chairs for Auction Napa Valley 2012

This year, the Chappellet Family and Chappellet Vineyard and Winery will serve as Honorary Chairs for Auction Napa Valley during the week of May 31 to June 3, 2012. Over the past 31 years, the event has raised over \$103 Million in aid for Napa Valley residents.

"That \$103 Million has directly benefitted local health and education organizations," said Cyril Chappellet, "The event has a profound impact on our community and it's been an honor to be involved throughout the planning process."

OUR WINES

Chappellet wines are crafted to embody the terroir and the intensity of fruit that have made Pritchard Hill famous. Recognized for their signature mix of grandeur, power and purity, these coveted bottlings are the result of a winemaking process that begins in the vineyard, and champions its diversity.

In the winery, renowned winemaker Phillip Corallo-Titus—who has been guiding Chappellet's winemaking program since 1990—individually ferments and ages lots from numerous vineyard blocks to maintain their distinctive character. These lots benefit from an array of maceration and fermentation practices. Adding even more depth and complexity, Phillip has established a barrel program utilizing the finest barrels from elite coopers and forests.

"The Cabernet's that emerge from the parched slopes of Pritchard Hill are some of California's Greatest."

With roots deep in the land, and a belief in constantly working to enhance the quality and character of Pritchard Hill's fruit, Chappellet has earned acclaim for making California's finest hillside Cabernet Sauvignons. The Chappellet portfolio also includes exceptional Chardonnay, Chenin Blanc, Merlot, Cabernet Franc, and the highly regarded Mountain Cuvee blend.
