Olivia Gott's Wonderful Life

Hi I am Olivia Gott
This brochure is
about my wonderful
life and me.
Enjoy!

My Family

I am very lucky for the family and friends that I have. I have one sister, one dad, one mom, and a dog. My sister is 9 years old and in 4th grade. She loves to dance and act. She is a great singer but she doesn't know it, and she is so good at choreographing dance routines for her friends and her to dance to. My dad is a great chef. He owns Gott's Roadside and loves to work there. My dad also loves to golf, read, race cars, and ride his motorcycle. My mom is a kindergarten teacher at the St. Helena Primary School. She is great at teaching and also loves to eat, read, walk, and especially talk. My dog's name is Tank and he is 2 years old. He is a English

Crème Golden Retriever. I am also very lucky because I have grandparents. My grandparents love to cook and work at their vineyard, Stony Hill. I also have an aunt, an uncle, and cousins. My aunt Misha is really hilarious and nice, she also is a good cook. My uncle Scott is really nice and loves to spend time with family and loves to work. My cousin Miles, who is seven, loves to be with my sister and me and loves to draw. My cousin Oliver is a cute four year old who loves to be with me and my sister and loves playing baby and also loves trains. The youngest of them all is Frankie who is two years old and loves to spend playing time with her family. I love my family and love spending time with them.
